THE COMPANY

Family-owned. Arizona proven.

CDL Roofing, Inc. is a family-owned and family-run roofing contractor based in Scottsdale, serving all of Arizona. Founder Charles Barr Sr. has worked in construction and roofing since the 1970s and founded CDL Roofing in 2012. Today his son, Charles Barr Jr., a HAAG certified inspector, runs the company.

Every job is performed by our own crews, under daily oversight and backed by a fully licensed, bonded, and insured company. We diagnose before we sell, price the job up front, and stand behind the work with a 25-year labor warranty available. Much of our work comes from repeat customers and referrals.

OUR CREW & FLEET · SCOTTSDALE

WHAT WE DO

Residential

Tile underlayment replacement, shingle, foam, and metal roofing for Arizona homes.

Commercial

Foam, single-ply membrane, and coatings for offices, retail, industrial, and hospitality.

Repair & Restoration

Leak repair, recoating, and roof-life extension that avoids a full tear-off.

Inspection & Storm

HAAG certified inspection and fast monsoon storm-damage response.
